OUR DROPPER

Everyone is unique in genetics, weight, diet, age, and health. Therefore, by taking our product every day, while at the same time charting the amount taken and the results, we believe every person can find the "perfect dose" for their body.*

WE SUGGEST PICKING A STRENGTH AND STARTING LOW AND SLOW

Day 1-4

1/4 to 1/2 dropper daily

Day 4-7

1/4 to 1/2 dropper 2x daily

Day 7-12

1-2 droppers per day (more if needed)

*Listen to your body. If desired results are not achieved, then increase dosage. If you finish a bottle and do not experience the desired effect, consider trying a higher strength on your next bottle.
